Milton student wins Schulich Leader Scholarship

Milton Canadian Champion
 An \$80,000 scholarship that recognizes a student for being in an elite class of national scholars who excel at science, technology, engineering or math (STEM) has been awarded to a Bishop Reding Secondary School student.

Milton student wins Schulich Leader Scholarship
Bishop Reding Secondary School student Pooja Srikanth won an \$80,000 Canadian Schulich Leader Scholarship.

Pooja Srikanth won the Canadian Schulich Leader Scholarship, which is presented annually to one student pursuing a degree in STEM subjects at each of 20 participating universities.

Schulich were chosen from 1,147 nominees across the country. Recipients must exhibit outstanding community, business or entrepreneurial leadership, academic excellence inspiring excellence within their high school, and act as role models for others pursuing undergraduate degrees in STEM subjects.

Bishop Reding chose Srikanth as its nominee and McMaster University agreed that out of all its STEM applicants, that Srikanth merited receiving the Schulich leader award.

She will use the funds toward her engineering degree at the Hamilton university beginning this fall.

Bishop Reding staff say that Srikanth is a well-rounded individual who has excelled at academics, extracurricular activities and has provided a leadership role model to other students. Among her achievements are organizing a multicultural night, winning the instrumental music award, playing basketball at a competitive level and achieving the Bronze level Duke of Edinburgh Award.
