

Lassonde welcomes another Schulich Leader in 2016

Posted on
Jul 5, 2016

Lassonde School of Engineering is welcoming another Schulich Leader this Fall. Arma Khan will be joining the school as the fourth female leader. Last year, Lassonde welcomed Kyra McLellan to Space Engineering.

Khan, who comes from Laura Secord Secondary School in St. Catharines, will pursue a Bachelor of Engineering. She is the second Schulich Leader to come from Laura Secord Secondary School.

Launched in 2012, this \$100 million program funds 50 undergraduate scholarships each year up to a value of \$20,000 annually for each recipient, across top Canadian universities.

The **Schulich Leader Scholarship**, created by entrepreneur and philanthropist Seymour Schulich, gives the most promising students the opportunity pursue their dreams and become the next global pioneers in science, technology, engineering and mathematics.
