Angelica Paynter, grade 12 student at North Grenville District High School, has won the Schulich Leader Scholarship. Photo: Jennifer Westendorp-Juice FM.

A North Grenville District High School student has won the Schulich Leader Scholarship. Angelica Paynter is getting \$100,000 to study

The scholarship is based on leadership, community involvement and academics. It is the largest STEM (Science, Technology, Engineering and Mathematics) scholarship in the country. This is the first time a North Grenville District High School student has won. Bev Paynter says she is thrilled.
