

Schulich Leader Scholarship

2015-2016 Winners

Meriel Fitzgerald

Program of Study: Science

I am currently completing my undergraduate degree in Science, with the future goal of attending Medical School. This scholarship has given me the opportunity to fully realize some of my aspirations, and I am truly thankful.

Sakif Mohammed

Program of Study: Engineering

This prestigious scholarship will enable me to complete my studies without financial concerns and focus instead on the learning aspect of university. After completing my undergraduate studies, I hope to pursue a degree in Medicine and practice as a physician.
